

2024 ECF Grantmaking Guidelines Portland Chapter

The Employees Community Fund of Boeing Portland (ECF) is a charitable giving program wholly owned and managed by the employees of the Boeing Company. Through the awarding of financial grants, ECF works to better communities and make a positive impact on the residents of the greater Portland metropolitan area.

ECF makes grants to local 501(c)3 Health and Human Services nonprofit organizations such as food banks, job training programs, shelters, transitional housing, mental health services, low-income medical clinics and youth programs.

We fund equipment, renovations and other capital asset purchases that will positively impact the children, families and individuals who seek assistance and support from your nonprofit. The ECF Chapter Grantmaking Committee (CGC) looks for the direct client benefit of each grant to ensure our employees' contributions are making the most impact for those in need.

The Employees Community Fund of Boeing Portland should not be confused with The Boeing Company. The two are separate funding entities with different funding guidelines and different strategies.

ECF Focus Areas

Grants will be considered for 501(c)3 Health and Human Services agencies in the greater Portland metropolitan area. Additionally, religious organizations with a distinct, separate Health and Human Services program that does not discriminate based on faith and does not proselytize in exchange for services, may be considered as long as the program is operated by a 501(c)3 charitable organization.

ECF Funding Criteria

Consideration is given to nonprofits requesting support to enhance, replace or modify elements of their infrastructure through the procurement of capital assets that are depreciable and have a direct client benefit.

Below is a list of items that would qualify for capital asset grant requests:

- Equipment (office, kitchen, industrial, furniture, et cetera)
- Vehicles used to support clients and/or transport food and goods.
- Remodels and/or renovations (must own the building or hold at a minimum a 10-year term lease)
