

Israel: 2024 Grantmaking Guidelines

Boeing maintains a deep and enduring commitment to global community engagement. Our grants support programs that inspire our future, empower our heroes and strengthen the communities we call home. The company's charitable partnerships and contributions are strategic in focus, promote societal growth, and drive positive and lasting change in the communities where we have a presence.

How To Be Considered for a Grant

Boeing grantmaking is by invitation only. All organizations must be invited to submit a proposal.

1. Read the Boeing grant objectives to determine if your request aligns to any of the following pillars:
 - **Our Future**
 - **Our Heroes**
 - **Our Homes**
2. Determine that your organization is eligible for support. Review the [grants eligibility and exclusion guidelines](#).
3. Contact your local community investor to discuss a proposed project.
4. If your community investor determines that your project aligns with Boeing's local strategies, you may be invited to submit either a letter of intent (LOI) or a full grant application.
5. If you are invited to submit an LOI, it will be evaluated for alignment, viability, measurable outcomes and broad impact. Should your LOI merit further interest, you will be invited to submit a full grant proposal.

Israel: 2024 Grantmaking Guidelines

Boeing's Focus in Israel

Boeing has held an important role in Israeli aviation and aerospace since the state's founding in 1948. Boeing has worked closely with Israeli commercial and military customers and suppliers and has developed many lasting partnerships. We work within Boeing's community investment strategies to develop a site-specific plan tailored to the particular needs of our region, focusing our grants on the strategies Our Future: Tomorrow's Innovators, Our Heroes: Veterans & Families and Our Homes: Dynamic Communities.

Goal:

Create cradle-to-career pathways to strengthen and diversify the pipeline of skilled workers entering today's dynamic labor market. Advance 21st-century skills such as knowledge acquisition, creativity, innovation, critical thinking, problem solving, collaboration, media and technology literacy, self-direction and adaptability.

Concentration:

- **High School:** Graduate more students who are ready to enter STEM-related or other high-demand careers and/or STEM-focused postsecondary education.
- **Workforce Preparation:** Prepare veterans, underskilled adults and young adults for living-wage jobs in high-demand sectors.
